STUDYING NURSING AT P P SAVANI UNIVERSITY

The global shortage of skilled nurses in recent years has increased demand for nursing graduate programmes, and the compensation packages offered are both attractive and competitive. IF YOU HAVE ever considered a CAREER IN NURSING, the time is now.

USP of Nursing:

1. Smart classes with innovative software for 3D learning
2. Advanced simulation laboratories
3. Competent faculties from universities of diverse states
4. Unlock your new skills through PPSU Coursera Platform
5. Mold your personality with IPDC and professional courses
6. Opportunity to grow in entrepreneurship through SSIP
7. 100% job placements assistant

Nurses are distinct from other healthcare providers as they have a wide scope of practice and approach to medical care. They play an integral role in promoting health, preventing illness, and caring for all individuals, including those who are disabled or are physically or mentally ill. As a nurse, you can work with people of all ages in a variety of settings around the world, including disaster relief and philanthropic

work on a global scale as well as health services in your own neighbourhood. Nursing is a highly regarded and fulfilling profession. In the world's health care systems, nurses are the foundation. The nurses who graduate from PPSU are well-respected in their field, have a strong sense of judgement, and have received a solid academic foundation for the problems they will confront in the workplace.

Placements

We provide students in each course with 100% placement support so they may advance their careers both nationally and internationally with lucrative wage packages. Along with career counselling sessions, we host campus interview drives.

More than 80% of students in Gujarat are chosen and placed in reputable hospitals.

Students' Achievement

- ◆ XXI Biennial conference organized by the Student Nurses Association of India, TNAI Gujarat Branch. The students shows outstanding performance by securing 1st position in various sports such as disc throw, relay race, and extempore also.
- ◆ Saniya Sheikh, one of our students, won second position in the national arm wrestling tournament, and she continuously made us proud.
- ◆ Our student, Ms. Sara Batada, has been chosen to take part in the youth exchange programme run by AIESEC in Mansoura, Egypt, beginning on September 12, 2022, for a period of two months.

Student Speaks

Mr. Hamza Patel
(B.Sc. Nursing)
Batch: 2018-2022

School of Nursing, P P SAVANI UNIVERSITY got one of the best infrastructural facilities, labs, and brilliant faculties as it gives enough opportunity to every student to shine in their chosen nursing career. I am really lucky and proud to have been a part of this Institution not only because of the training in patient care I have learned here. The 4 years spent here were splendid and have helped me to grow better professionally and personally. This institution has helped me to develop a positive attitude towards my life and decision-making capacity in all aspects of my career. It provided me with an opportunity to understand the nuances of health care. I would like to express my gratitude to all at the Institute for shaping me into a responsible and dedicated individual. I will always have fond memories of my P P SAVANI UNIVERSITY.

Ms. Sara Batada
(B.Sc. Nursing)
Batch: 2018-2022

I was indeed lucky to be part of School of Nursing, P.P SAVANI UNIVERSITY. The entire faculty and department leave no stone unturned to shape one's future. I loved the infrastructure of the University and its International life. The events that I took part in helped me to grow my confidence level. I am going to cherish each and every memory of P P SAVANI UNIVERSITY.
