Message from Provost

Dear students, faculty, and staff,

As the Provost of our esteemed university, I wanted to take a moment to address our community and express my gratitude for your continued dedication to excellence in education, research, and service.

In these challenging times, it is more important than ever that we come together as a community to support one another and uphold the values that define us as an institution. Our commitment to academic integrity, inclusivity, and innovation remains unwavering, and I am confident that together we will overcome any obstacles that may arise.

As we navigate the complexities of the ever-changing landscape of higher education, I encourage you to remain resilient and adaptable, and to embrace new opportunities for growth and collaboration. Let us continue to strive for excellence in all that we do, and to make a positive impact on the world around us.

Thank you for your dedication and hard work, and for being an integral part of our university community. Together, we will continue to inspire and empower future generations of leaders, thinkers, and innovators.

Best regards,

Dr.Parag Sanghani

Message From Registrar

Dear Students,

As the Registrar of our university, I want to extend a warm welcome to all of you as you embark on your academic journey with us. Our university is committed to providing a supportive and enriching environment where you can thrive both academically and personally.

I urge you to take advantage of the many resources and opportunities available to you, whether it's academic advising, counseling services, extracurricular activities, or career development programs. Remember that your success is our priority, and we are here to help you every step of the way.

As you navigate your studies, I encourage you to embrace the values of integrity, curiosity, and hard work. Strive for excellence in everything you do, and don't hesitate to reach out if you need assistance or guidance.

Together, we can create a vibrant and inclusive community where all members feel valued and empowered to achieve their goals. I look forward to seeing all that you will accomplish during your time at our university.

Best wishes for a fulfilling and rewarding academic year.

Sincerely,

Bindesh Patel

● Volleyball

PP Savani University boasts well-appointed volleyball facilities designed to accommodate players of all skill levels, from recreational enthusiasts to competitive athletes. The accompanying visuals showcase a series of volleyball courts nestled within a sprawling outdoor space, facilitating multiple games simultaneously. These courts feature surfaces composed of sand or similar materials tailored to the sport, ensuring reduced strain on players' joints during play. Each court is outfitted with regulation nets, meticulously positioned for official matches.

The bustling atmosphere, characterized by sizable crowds, indicates the university's penchant for organizing events and tournaments that draw significant student involvement and spectator interest. The expansive layout of the facilities, coupled with ample seating areas surrounding the courts, reflects a thoughtful design aimed at optimizing both player performance and viewer engagement.

In summary, the volleyball facilities at P PSavani University provide a lively and inclusive hub for sports activities, fostering not only athletic excellence but also a sense of camaraderie among students.

● Kabaddi

The university is committed to promoting the rich cultural heritage of kabaddi and encourages student participation in the sport. Regular training sessions and intercollegiate tournaments are organized to foster skill development and friendly competition among students. The kabaddi facilities serve as a focal point for community building, bringing together students from diverse backgrounds to celebrate the spirit of sportsmanship and camaraderie. The kabaddi facilities at P P Savani University are highlighted in images capturing students actively participating in the sport on a designated kabaddi ground. This outdoor area is specifically allocated for kabaddi, featuring clearly defined boundary lines that delineate the playing area, ensuring organized and regulated conditions conducive to the safety and fairness of the sport.

- **Badminton**

P P Savani University has a state of art Badminton facility with cushioned mats and other facilities for its students and faculty members. The championships provides an opportunity to celebrate athleticism and promote healthy competition. It not only highlights the players' skills but also underscored the valuable lessons sports can impart, such as discipline, resilience, and teamwork.

- **Kho-kho**

The Intercollegiate Boys Kho-kho Championship, held at P P Savani University from November 13th to 14th, 2018, was a remarkable success, highlighting the impressive talent and sportsmanship among the participating teams. Hosted by the Sports Department, the event brought together enthusiastic teams from various colleges to compete in the spirit of sportsmanship and camaraderie. This championship served as a platform to honor athleticism, teamwork, and the essence of healthy competition. It not only displayed the sporting talent among young men but also emphasized the significance of sports in nurturing discipline, resilience, and solidarity. Congratulations are extended to the School of Engineering Boy's team for their well-deserved victory, and commendations to all participants for their exceptional performance. The triumph of this tournament underscores the university's steadfast commitment to promoting sports and holistic student development.

- **Chess**

The game provides a platform to honor athleticism and the essence of healthy competition. It not only displays the sporting talent among the participants but also stresses the significance of sports in fostering discipline, resilience, and solidarity. The game reaffirms the university's commitment to promoting sports and holistic student development.

- **Cricket**

P P Savani University boasts an impressive cricket ground that caters to the sporting enthusiasm of its students. The images provided illustrate a well-maintained cricket pitch and a lush green outfield, creating an ideal environment for cricket matches. The

ground is equipped with essential markings and wickets, ensuring that it meets the standards required for formal games and training sessions.

Students are seen wearing team uniforms, which suggests a well-organized structure for cricket activities, likely including regular practice sessions and competitive matches. The presence of coaches and other officials in some photos indicates professional oversight, which is crucial for developing skills and sportsmanship among the players.

The cricket ground serves as a hub for fostering teamwork and discipline as well as a platform for showcasing talent within the university. It is clear from the crowd and the setup that cricket is a popular sport at the university, drawing considerable participation from the student body and support from the spectators. This facility not only enhances the physical well-being of the students but also adds to the vibrancy and dynamism of campus life.

Hostel Facilities

P P Savani University has a residential facility for both boys and girls. It provides accommodation for students pursuing various academic programs offered by the university. The hostel offers amenities such as furnished rooms, mess facilities for meals, Wi-Fi connectivity, recreation areas, and security services. It aims to create a conducive environment for students to focus on their studies while fostering a sense of community and personal growth. The hostel likely adheres to rules and regulations set by the university and provides support services to ensure the well-being and comfort of its residents. The hostel has state of art security features for its residents. There are students from various countries residing in hostel. This gives the residents to interact, exchange and learn about each others culture, food habits as well as dressings.

Canteen

The canteen at P P Savani University buzzes with activity, offering a wide array of delectable and wholesome meals to cater to diverse tastes and dietary needs. It's a vibrant hub where students gather to savor their meals in a clean and cozy setting, fostering social interactions and relaxation. With stringent adherence to hygiene protocols and food safety measures, the canteen prioritizes the well-being of its patrons. As a favored hangout spot on campus, P P Savani University's canteen ensures students enjoy a convenient and delightful dining experience.

Other facilities

Faculty Empowerment

Seed Money and Research

Approximately 52 faculty members received financial assistance to participate in conferences and workshops. Furthermore, a total of 8 Faculty Development Programs were conducted, with an impressive attendance of approximately 208 faculty members. Additionally, a training program was organized for non-teaching and administrative staff, with around 125 staff members in attendance. Moreover, 92 teaching faculty members participated in various professional development programs, induction programs, refresher courses, STTPs, TTPs, and short-term programs at the university, state, national, and international levels.

Financial Support To Faculties

Sr. No	Programme	Name of the Principal Investigator	Department
1	Pervious Concrete - Development of Low-Cost Water Purification System Using Interlocking Blocks of Pervious Concrete	Dr. Niraj Shah	Engineering
2	Design of Photoanode for Dye Sensitize Solar Cell Application using TiO ₂ Nanowires.	Dr. Ashish Jani	Engineering
3	Pervious concrete development of low-cost water purification system using inter locking blocks of pervious concrete	Ms. Nafisha Shaikh	Engineering
4	Preparation of Development Project Report for Traffic reduction in metro city.	Prof. Ruchi Ramchandra Gandhi	Architecture
5	Green synthesis, Characterization Applications of Iron Oxide Nanoparticles for Wastewater Bioremediation using Brown Algae	Dr. Anish Kumar Sharma	Science

6	Retting of Banana Pseudostem fibre using Bacillus strains to get excellent Mechanical properties as biomaterial in textile & fiber industry	Dr. Hiren K. Patel	Science
7	Utilizing Medicinal Plant Extracts for Eco-Friendly Production of Silver Nanoparticles and Evaluating Their Antimicrobial Effectiveness	Dr. Amit Gupta	Science
8	Development of Poloxamers-Based Polymer Gel Electrolytes with Enhanced Conductivity for Advanced Energy Storage Devices	Dr.Sadafarra Pillai	Science

Staff Welfare

The University believes in the concept of a big family wherein everyone is a part of it. Regular meetings and get-together like month end celebrations and family unions are encouraged to familiarize with each other.

New Implementations

Solar Panels

Solar panels have been installed on the campus of PP Savani University as part of our commitment to sustainability and renewable energy. The installation of solar panels represents a significant step towards achieving our sustainability goals and reducing our environmental impact. By harnessing the power of solar energy, the university is leading by example and demonstrating its commitment to a greener and more sustainable future.

Rain Water Harvesting

Rainwater harvesting has been implemented as a sustainable water management solution at PP Savani University to address water scarcity issues and promote environmental sustainability. The rainwater harvesting system at the University consists of a network of collection structures, storage tanks, and distribution systems strategically placed across the campus. Rainwater is collected from rooftops, paved areas, and other surfaces and directed to storage tanks through gutters and downspouts.

Green Campus

PP Savani University has embarked on a transformative journey towards sustainability with its pioneering Green Campus Initiative, aimed at fostering a culture of environmental responsibility and conservation within the university community. The university remains steadfast in its commitment to sustainability and looks forward to further expanding its Green Campus Initiative in the years to come. Through continued collaboration and innovation, the university aims to create a greener, healthier, and more sustainable campus environment for current and future generations.
