

100 POINT ACTIVITY CONTRIBUTION

1. Preamble

To cultivate and encourage versatility among the budding technocrats, P P Savani School of Engineering is introducing '100 Point Activity'. Under this scheme, students will be awarded 10 points for executing co-curricular and extra-curricular activities on and outside of the campus. A student enrolled in P P Savani School of Engineering, must earn a minimum of 100 points during the four years of academics by performing activities prescribed in the 'List of Activities'. It is a mandatory additional requirement for earning B. Tech. Degree.

2. Objective(s)

The objectives of the '100 Point Activity' are to:

- make socially responsible technocrats.
- ensure holistic development of the students.
- cultivate benevolence and altruism in the students.
- encourage innovation & creativity.
- provide a platform for leadership and teamwork.
- boost and reward co-curricular and extra-curricular activities.

3. To whom it applies?

An undergraduate Engineering student must earn the following minimum activity points as per the level of Entry in the B. Tech. program as shown in Table I.

| Level of Entry in B. Tech | Total Years for Points | Minimum Points |
|------------------------------------------------------------------------------------------------------|-----------------------------------------|----------------|
| 1 st Year Regular | 1 st to 4 th Year | 100 |
| 2 nd Year Regular or D2D or Transfer from other university from the academic year 2021-22 | 2 nd to 4 th Year | 50 |

4. Student's Role

- Every student shall participate in the co-curricular and extra-curricular activities as prescribed in the 'List of Activities' point.
- Students have to produce a documentary proof for the executed activity to the designated class coordinator.
- It is mandatory to prepare a file containing documentary proofs of activities done by him/her.
- A brief presentation to be prepared for activities carried out during the semester.

5. Evaluation Scheme

- The file and presentation of the activity will be duly verified by the respective class coordinator & invited experts if need be.
- The class coordinator will enter the points as per the 'List of Activity'.
- The points earned will not be a part of SGPA/CGPA calculations.
- Failing to earn prescribed points will lead to withhold the degree certificate.
- Each activity carries 10 points. Points will be rewarded only one time for each activity.
- It is mandatory to provide proof for the executed activity.

6. List of Activities

To earn points, a student can choose any of the following activities:

Category: Education

1. A student need to teach underprivileged students for minimum 10 hours. The activity can be either independent or in affiliation with NGO working for society welfare. The class coordinator must be informed about the same in starting of the activity. To submit a proof for the activity, a student can ask the NGO to provide certificate or hour wise teaching points and Photos should be submitted to class coordinator.
2. A student contributing special coaching for minimum 10 hours in the under privileged school will be considered for earning 10 points on submission of certificate from the school principal along with photographs.

Category: Social Contribution

1. A student sparing minimum 10 hours at Old Age Home or Orphanage Home to execute activities like sports, entertainment, cultural, religious, counselling, spreading awareness for literacy, skills, hygiene etc. However, providing financial aid will not reward the points. To submit a proof for the activity, a student can ask the organization to provide certificate or photos of the executed activities shall be submitted to class coordinator.
2. A student need to donate blood at least Four Times during the graduation period at PPSU. The blood donation certificate/card along with relevant photos should be submitted to class coordinator to earn the points.
3. A student can run a campaign 'Joy of Giving' under which, his/her responsibility will be to collect used clothes, blankets or any other useful things and distribute them to underprivileged people. At the end of two such activities, detailed report with photograph shall be submitted to the respective class coordinator. Not more than Five Students will be considered for points for one activity within campus/outside campus.
4. Planting and cultivating a tree at least till 4 feet height growth within or outside of the university. The place for tree plantation shall be informed to the class coordinator. Name plate

should be given to the plant and photos of growing tree must be shared with the class coordinator on quarterly basis.

5. A public place required to clean shall be identified and cleaned. Prior permission of the respective authority shall be taken if needed. 'After, while and before the activity' photos shall be taken and submitted to the class coordinator. Not more than Five Students will be considered for points for one activity within campus/outside campus.
