ABOUT P P SAVANI UNIVERSITY

We, at P P Savani Group, have been the source of Educational Inspiration for the generations of students for the last 30 years. Launched in 1987, P P Savani Education Trust was initiated with a school. Today, the trust has expanded itself over the years with a group of schools in not only Surat district but also across Gujarat with student strength of more than 45,000. In 2016, the trust expanded its horizons with the launch of P P Savani Knowledge city- an initiative in higher education to align with global standards of excellence. Through this immersive educational endeavor, the Governing body aims to ignite a new era in higher education and create a talent pool of professionally sensitized industry- ready professionals in South Gujarat. A world class 100

acre campus has been developed consisting of Hi- Tech Infrastructure facilitating undergraduate, postgraduate, research, and certificate and skill development programs.

Presently, P P Savani University offers several academic programs under 06 Schools- Sciences, Engineering, Management, Architecture & Design, Physiotherapy and Nursing. The university fosters an aspiration to attract the best not only from Gujarat but also nationwide. We aspire to be the ideal place where the students channelize their energy in developing competence to utilize knowledge and skills in the chosen field. Today, in the hyper- competitive world of survival of the fittest, we assure to equip the students with the apt tools to build the solid foundation for their careers.

The university desires to establish an environment wherein the students assimilate knowledge and develop critical thinking through state of art laboratories, industrial exposure, interactive session's industry experts, scientists and business tycoons. The tie ups with the industries in various sectors are aimed at providing placement support to the students and also to leverage the industry academic interface to promote research and consulting projects. The process of developing strategic partnerships with Indian and international universities of repute is in pipeline.

The university also believes in strong conviction in the holistic development of the students through sports, cultural and recreational activities in the campus. Moreover, idyllic stroll by the lakeside makes the academic experience more joyful and peaceful. Also, celebration of the national holidays as well as other diverse events like Yoga day, Rose party or Guru Purnima among the staff members and students strengthens a connection to the community and the desire of giving back to the society. The university is nestled in the outskirts of the city and the ambience proves to be an inspiration to inquisitive minds.

Come, visit and expertise the vibes!

PROVOST'S MESSAGE

“Take a look around. We are the future of health care.”

Nursing is an art and science. A professional Nurse learns to deliver patient care tactfully with compassion, caring and respect for each patient's dignity. Nursing as a science is based upon a body of knowledge that is always changing with new innovations. When nurses integrate the Science and art of nursing into their practice the quality of care provided to patients is at a level of excellence that benefits patient's in innumerable ways.

The School of Nursing is the living embodiment of the future health care. And this future is not simply something that our students, faculty, and staff hope to see one day; they are making it happen here and now. So where exactly should you look to see this future?

We P P Savani School of Nursing provide the best opportunity for students to learn. The courses offered are B.SC Nursing & GNM both are cognized by the Indian Nursing Council/Gujarat Nursing Council. I can confidently say that P P Savani School of Nursing is one of the best nursing institutions in the state in terms of faculty, infrastructure and clinical learning facilities. We believe that our students are our treasure, our faculty is our strength and our management is our support for continuous growth.

As per W.H.O, 2.4 million nurses are required in India and in most countries of the world there is a shortage of nurses. The developed country fills its vacancies by enticing nurses from other countries. Nursing is such a profession that they will get job with highest salary in any part of the world, Indian nurses has lot of demand in abroad such as USA, UK, Europe, Australia, Dubai, Canada etc. Within India lots of opportunities available in both the Govt and private sectors.

I welcome you all to the Noble profession and wish you a bright future.

INSPIRATION FROM PRINCIPAL

“Bound by paperwork, short on hands, sleep, and energy... nurses are rarely short on caring.” -Sharon Hudacek

P P Savani School of Nursing, through education in the allied sciences and professions, empowers women and men to challenge themselves academically, to serve and to lead.

The School's approach to education is based upon a philosophy dedicated to the cultivation of a liberally educated professional person. Each student is offered a unique blend of Nursing arts and professional educational experiences. We encourage the students to take full advantage of the variety of learning opportunities while pursuing their educational goal of becoming a professional nurse.

Our School of Nursing has an excellent, efficient and highly motivated faculty who has planned meticulously all the curricular and co-curricular activities for the students. The curriculum is designed in such a way that students passing out from our School of Nursing has the right Competencies and Skills required for the Nursing Profession. The information included in this handbook has been chosen with two purposes in mind. First, an informed student is a better student. We want students to understand the educational goals and mission of the entire program in order to facilitate integration of individual course content into your overall view of the nursing profession. Second, the faculty take seriously the responsibility of providing students with a quality education that will prepare them to fulfil their responsibilities as a professional nurse. However, the student is the one ultimately responsible for taking full advantage of the program. This handbook provides students with the information necessary for them to take on that responsibility.

P P Savani School of Nursing heartily welcomes all the aspiring students to Incorporate professional standards of moral, ethical, and legal conduct into practice and develop leadership concepts to deliver high quality health care.

Wish you Good Luck and a Bright Future ahead.
